

# KHLOE BROWN

FRONT-END DEVELOPER  
& GRAPHIC DESIGNER

(513) 633-4326

hello@khloeabrown.com

www.khloeabrown.com

---

## PROFILE

Front-End Developer & Graphic Designer with 6+ years of experience creating beautiful, effective and (of course) functional websites and marketing media for growing businesses and aspiring entrepreneurs. Categorized into two specialties: front-end web developer learning the MERN stack with an eye for UI and a graphic designer creating beautiful logos, brand identities, and marketing media.

---

## OBJECTIVE

To be hired for a web designer position with a friendly, professional and work-dedicated employer in the technology or design industry. Preferably, said position would include hands-on opportunities with code and design on projects and with clients.

---

## ABILITIES

### Development

Proficient - HTML, CSS, JavaScript, Sass

Familiar - git, npm, SQL, React.js, Bootstrap, Parcel

### Design

UX & analysis, UI & layout design, mockups, prototyping, Adobe Creative Suite

---

---

## EXPERIENCE

### Graphic Designer @ Trinity Church Supply

Oct 2018 - Aug 2020

- Designed cards and printed materials for new products to increase sales and company branding.
- Worked collaboratively with supervisors, other associates, and freelancing designers to create new projects.
- Organized, documented and outlined a product catalog to dole out to churches and organizations.
- Trained new employees for documenting incoming products.

### Tutor and Desk Assistant @ Cincinnati State

Oct 2016 - Dec 2018

- Assisted and mentored web development and graphic design students by explaining code samples, reteaching web dev lessons, and providing personal examples of work.
- Maintained order and direction within the tutoring room as an assistant.

---

## EDUCATION

### Cincinnati State Technical and Community College
